originally written in the mid thirteenth century the tales of the heike chronicles the epic genpei war a civil conflict that marked the end of the power of the heike clan and changed the course of japanese history featuring a vivid cast of characters the book depicts the emerging world of the medieval samurai and recounts in absorbing detail the chaos of the battlefield the intrigue of the imperial court and the gradual loss of courtly tradition this new abridged translation presents the work s most gripping episodes and includes woodblock illustrations a glossary of characters and an extended bibliography

the tale of the heike is one of the masterworks of japanese literature ranking with the tale of genji in quality and prestige this new translation is not only far more readable than earlier ones it is also much more faithful to the content and style of the original intended for the general audience as well as the specialist this edition is highly annotated

the tale of the heike is one of the masterworks of japanese literature ranking with the tale of genji in quality and prestige this new translation is not only far more readable than earlier ones it is also much more faithful to the content and style of the original intended for the general audience as well as the specialist this edition is highly annotated

the tale of the heike is one of the masterworks of japanese literature ranking with the tale of genji in quality and prestige familiar in japan for generations first through oral narration and later through the printed page this fourteenth century reworking of traditional materials tells the story of the decline and final military defeat of the mighty house of taira reporting battlefield exploits in vivid detail chronicling the fates of high born ladies and other helpless victims of the times with delicate lyricism and introducing humorous passages to lighten the somberness of the theme articulated in its famous opening lines the sound of the gion shoja bells color of the sala flowers reveals the truth that the prosperous must decline the proud do not endure they are like a dream on a spring night the mighty fall at last they are as dust before the wind the translation is not only far more readable than earlier ones it is also much more faithful to the content and style of the original especially in preserving the evidence of oral narration intended for the general audience as well as the specialist this edition is lightly annotated but includes three appendixes that give background information a chronology and an evaluation of the heike as literature there is also a glossary of persons places and terms illustrations consist of a color frontispiece about fifteen prints from fourteenth and fifteenth century manuscripts and two maps publisher description

the tale of genji and the tale of the heike are the two major works of classical japanese prose the complete versions of both works are too long to be taught in one term and this abridgement answers the need for a one volume edition of both works suitable for use in survey courses in classical japanese literature or world literature in translation and by the general reader daunted by the complete works the translator has selected representative portions of the two texts with a view to shaping the abridgments into coherent aesthetically acceptable wholes often called the world's earliest novel the tale of genji by murasaki shikibu is a poetic evocation of aristocratic life in eleventh century japan a period of brilliant cultural efflorescence this new translation focuses on important events in the life of its main character genji it traces the full length of genji's relationship with murasaki the deepest and most enduring of his emotional attachments and contains all or parts of 10 of the 41 chapters in which genji figures including the broom tree chapter which provides a reprise of the themes of the book in romanticized but essentially truthful fashion the tale of the heike describes the late twelfth century political intrigues and battlefield clashes that led to the eclipse of the kyoto court and the establishment of a military government by the rival minamoto genji clan its underlying theme the evanescence of worldly things echoes some of the concerns of the genji but its language preserves many traces of oral composition and its vigor and expansiveness contrast sharply with the pensive elegant tone of the genji the selections of the heike about 40 percent of the work are taken from the translator's complete edition which received great acclaim this version of the heike is superb and indeed reveals to english language readers for the first time the full scope grandeur and literary richness of the work journal of asian studies for both the genji and the heike abridgments the translator has provided introductions headnote summaries and other supplementary materials designed to help readers follow the sometimes confused story lines and keep the characters straight the book also includes an appendix a glossary a bibliography and two maps

readers of medieval japanese literature have long been captivated by its romance and

philosophy in this volume two acclaimed thirteenth century classics the ten foot square hut and tales of the heike are presented in translation the ten foot square hut the hojoki takes its title from a four and half mat sized tearoom the size of the hut in which the hero of the story chomei lives it offers the memorable reflections of this sensitive aristocrat who has retired from a world filled with violent contrasts and cataclysms to find refuge in nature and buddhist philosophy though this narrative was written 700 years ago its message continues to have an astonishing timeliness tales of the heike selections from the heike monogatari deals with the same period but from a different point of view supplying the background of chomei s meditations it is a collection of episodic stories written in poetical prose related to the rise and fall of the taira clan in twelfth century kyoto one of the great turning points in japanese history the translations by the late professor a l sandler are complemented by an informed introduction on the background to these masterpieces of japanese literature
